

Quadra's Personal Care Group is a diverse national supplier of specialty products and services. Our strong partnerships with our suppliers enables us to provide competitive products and services including technical and formulation support. Our team works closely with you to help identify industry trends and market conditions in today's fast-paced, changing environment. Quadra is proud to be a member of the SCC (Society of Cosmetic Chemists) and the CCTFA (Canadian Cosmetics, Toiletries, and Fragrances Association). We believe strongly in promoting high standards of practice in the cosmetics and personal care industries. Combined with our national infrastructure and logistical expertise, Quadra is a proven value-added partner to our customers and suppliers.
